

**Share the Ride! Save Money! Reduce your Carbon Footprint!**

By sharing the ride to work with a friend you can enjoy a more relaxed commute and catch up on the day's events. Carpooling, vanpooling, riding the bus, or biking will help you save on gas, insurance, car maintenance and parking costs! And, you can feel good about reducing air pollution and helping to enhance the quality of life in the Inland Northwest.

Discover how easy it is to share a ride! **CommuterFinderNW.com** is a one-stop shop to find a variety of commute options that work for you including finding a carpool, vanpool or bike partner, plus you can get bus route and Park & Ride lot information.

It's simple to use too! Go to [www.CommuteFinderNW.com](http://www.CommuteFinderNW.com) and click on "Join/Login". Fill out and submit your commute information, **be sure to select your company from the provided link**, verify your email and select a password. That's it!

Check for matches now, and return to **CommuterFinderNW.com** anytime in the future to update your record or check for new matches. The database is growing every day!

If you don't have access to the internet, simply fill out the form to the right and return it to your Employee Transportation Coordinator (ETC). Your ETC will input your information and run a match for you.
