

Recognizing Champion Business Leaders

Outstanding Leadership, Support & Commitment!

Commuter Smart Northwest works with over 100 employers in Spokane County to promote and encourage employees to use commute options including riding the bus, carpooling, STA Ridesharing, walking, bicycling, and working from home. Daily these employers help remove over 8,300 trips from our roadways and remove over 141,000 miles from being driven on our roadways. The following Champion Business Leaders were honored in 2023 for their exceptional efforts to make their Commuter Smart programs a success at their worksites.

Karl Kolb, PE, SE

Spokane Office Managing Principal

“The Commuter Smart program benefits our employees in supporting a healthier work/life balance!”

Kristin Nester

92nd Civil Engineer Squadron Installation Management Flight Chief

“A Commuter Smart program is valuable in recruiting, retaining, and overall employee satisfaction!”

Fairchild Air Force Base

Michael Herzog

Director, Program Management Office

“Commuter Smart is an easy and visible way to understand that even reducing one trip saves resources and promotes cleaner air!”

Lindsey Skinfill

Senior Vice President People Potential

“Commuter options save money, time and provide health benefits to those choosing active transportation!”

Thank you for helping to make the Northwest a better place to live, play and commute!
